

## The Hazards

In this 60 minute webinar you will learn how to identify potential aviation hazards and get expert advice on how to avoid them. We'll cover IFR, Mountain Obscuration, Icing, Thunderstorms and the various types of turbulence, including Mountain Wave. Click here to register.

**Directions:** Online Webinar Only

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
